Enroll to take advantage of access and reimbursement assistance

Kyowa Kirin Cares helps to get your patients from prescription to therapy quickly and seamlessly. Once you enroll, a nurse will assist your patients with access and reimbursement options.

To enroll, simply

- 1 Download the Kyowa Kirin Cares enrollment form.
- 2 Fill it out with your patient's information.
- 3 Fax it to 844-267-5848.

Upon receiving the completed enrollment form, a Kyowa Kirin Cares nurse will begin the benefits investigation (BI) process for your patient.

Within 2 business days, you will be informed of the outcome of the BI process. If POTELIGEO® (mogamulizumab-kpkc) injection is covered by your patient's insurance, the nurse will fax you a BI summary. If an appeal or prior authorization is required, the nurse will call to inform you of this.

To speak with a Kyowa Kirin Cares nurse, call 833-KK-CARES (833-552-2737) Monday through Friday, 8 AM to 8 PM (ET) or visit www.KyowaKirinCares.com to learn more.

Through Kyowa Kirin Cares, access options are available for patients

A Kyowa Kirin Cares nurse can help your patients navigate their access options—regardless of their insurance coverage.

Commercial insurance

Kyowa Kirin offers **co-pay assistance** for eligible commercially insured patients. Review the co-pay assistance terms and conditions found at [KyowaKirinCares.com](https://www.kyowakirincares.com) to determine if your patients with commercial insurance qualify.^{a,b}

Government insurance

In most cases, Kyowa Kirin Cares does not offer a program for patients with government or military insurance.^c A nurse may be able to refer these patients to independent charitable foundations and/or educate them on federal plan selections.

No insurance

Kyowa Kirin offers a **Patient Assistance Program** for eligible uninsured patients.^c Review the terms and conditions found at [KyowaKirinCares.com](https://www.kyowakirincares.com) to determine if your patients without insurance may qualify.^d

^aPatients must be US residents with an active primary commercial plan; patients with federal or state government insurance such as Medicare, Medicaid, and Tricare are not eligible for co-pay assistance. Other terms and conditions may apply.

^bCommercially insured patients do not need to participate in Kyowa Kirin Cares to be eligible for co-pay assistance.

^cPatients that do not meet the Patient Assistance Program coverage criteria and have special circumstances of financial and/or medical hardship, as determined in accordance with Kyowa Kirin Cares criteria, can request that an exception may be made for them. The decision to grant an exception is based on an individual's unique circumstances and is made solely at the discretion of Kyowa Kirin.

^dPatients must be US residents with no active medical or pharmacy benefit insurance and an annual gross income $\leq 400\%$ of the federal poverty level, confirmed by electronic income verification response or documented proof of income.

Connect your patients with ongoing support

Kyowa Kirin Cares partners with you to provide your patients with personalized and ongoing support throughout their journey with POTELIGEO® (mogamulizumab-kpkc) injection.

A Kyowa Kirin Cares nurse will be available to:

Answer questions about the infusion experience

Answer general questions about POTELIGEO

Provide external resources, when applicable

Help patients manage barriers to adherence

By enrolling in Kyowa Kirin Cares, you're providing a resource to your patients, especially those requiring financial assistance. However, if you choose not to enroll in Kyowa Kirin Cares, your patients can enroll on their own to take advantage of ongoing support from a nurse.

To speak with a Kyowa Kirin Cares nurse, call **833-KK-CARES (833-552-2737) Monday through Friday, 8 AM to 8 PM (ET)** or visit **www.KyowaKirinCares.com** to learn more.

The information provided by the nurse to your patients is for informational purposes only and does not constitute medical advice. It is not intended to replace a discussion between you and your patient. All decisions regarding patient care must be made by a patient's healthcare provider considering the unique characteristics of each patient.
